**GIFT AID A NEW TAX CONCESSION FOR CHARITIES**

New arrangements allowing charities to reclaim tax on all donations received from tax payers came into force on 6<sup>th</sup> April 2000. Pets As Therapy can benefit from these new arrangements and in order to do so are required to obtain a declaration from the donor that he or she pays income or capital gains tax, whether at the basic rate or some other rate.

Please complete the declaration below and return it to us. **This will enable us to recover tax on any donations, including registration fees, that you make to Pets As Therapy in future. Please advise us if your circumstances change and you cease to pay an amount of income or capital gains tax equal to the tax that we reclaim on your donations (28 pence for every £1 you give).**

I confirm my wish that this donations to the charity Pets As Therapy is to be treated as Gift Aid donations. I confirm that I am a UK taxpayer, paying at least an amount of income or capital gains tax equal to the tax which Pets As Therapy will reclaim on my donations (28pence for every £1 given). I will advise Pets As Therapy if this situation changes.
